

Night Navigation Circuit #4 – Penderyn

Overview: Shake hole hopping across the moor land, great for working on bearings and pacing. This circuit is designed to take an evening to complete, but be flexible and add./remove legs as required, there's lots of potential for learning at this spot, and you can always return another night...

Starting Point: SN(967 125)

Park safely on the side of the A4059 near to a small, walled bridge by Tir yr onen farm house.

The Circuit:

Point 1- (972 125) Triple shake hole.

Point 2- (975 120) Shake hole.

Point 3- (970 115) Shake hole.

Point 4- (965 115) Shake hole.

Point 5- (960 116) Shake hole.

Point 6- (966 121) Shake hole.
